

WEEKLY BULLETIN 2024 #5

15th February 2024

From The President

A warm hello to everyone, and it has indeed been **warm** this week.

Summer has finally arrived!

With the Final Series now upon us, let's all get behind those teams who have made it this far, and take advantage of the opportunity to watch some exciting bowls at either end of the Peninsula, depending on your preference.

It was great to see so many of our bowlers and their families in attendance last Saturday evening for our annual Pennant breakup, and I once again extend my thanks to the enthusiastic organising and service committee, led by **John Waugh**, for ensuring this function went ahead as smoothly as it did.

Plenty of good fun, merry making, reminiscing over the year, and of course the ubiquitous bar, run with such aplomb by **Carmel, David Baud**, and a host of others. Well done to everyone.

At times such as this it is also good to reflect on how great a job our sponsors do in looking after us all. Hats off to **Jetty's Pizza** and (potential sponsor?) **Eatery By the Bay**.

Andy Wain and I also got to play school teacher/coach once more last Wednesday afternoon when we hosted 90 students, in two shifts, from **Dromana Secondary College**. What a great group of young people they were, and along with their committed teachers we all had an enjoyable session which managed to unearth a number of really promising players. Rumour is we

may even get one or two more **Junior members** from this activity, and we certainly hope to host more school groups in the future.

Is everybody happy to keep the good old **Newsletter** pumping away throughout the coming "off season" months? After Pennant there is always a perceived lack of hot topics and news, but the activities roll on, and the club continues to undertake both necessary and envisioned (read fingers crossed) change. There is always something going on, and I am prepared to write my little weekly piece as long as members and friends think it is appropriate. This is your Newsletter, and Editor **Andy** and I always appreciate offerings and ideas from the membership.

Over the next few months, I expect work to be done in the following areas:

- replacing surface of the **Hildebrand green**;
- attendance on-site for 2 days this week with the Shire and GeoTech undertaking preliminary survey work/drillings/etc. in response to the **Duggan green** subsidence;
- further planning for and implementation of the kind bequest left to us;
- a potential re-design and uptake of a new style playing outfit; a new membership structure to bring our club in line with current Bowls Vic and BowlsLink criteria.

The Newsletter is an important conduit between Bowls Vic, your Committee of Management, the relevant Directors of bowls and administration, and your good selves. Please continue to enjoy your reading of our Newsletter, even if it may be larger some weeks and smaller on other occasions. To repeat again, and as you well know:

There is always something going on!

And now to repeat a couple of requests: we are still in need of a person or persons to take on the role of **Food Safety Supervisor**. As yet the level of interest has been minimal to say the least,

which is, ahem, disappointing. Please contact **Amelia, Bev Waugh**, or myself if you feel you could be of help in this regard.

We also need more members to step forward to undertake **First Aid training**, a most vital element of the club in which we spend so much of our time.

So, another week flies by! Take care, enjoy your bowling and your socialising, and we will talk more next week. Hopefully about a couple of sides progressing even deeper into the finals!

Regards, **Peter**.

Social and Fundraising News

Before I get into the “what’s coming up” I just wanted to comment on the cost of our functions for this year. Unfortunately, the committee is once again in the position of having to increase the ticket price for most of our functions. The rising cost of food, entertainers and all other things that are required to present our events and functions are the key factors for the increase. As I have indicated previously, we do our best to keep ticket cost at a level that is affordable for everyone.

Now to the better news -

Music Makers, Sunday 24th March. DOORS OPEN 1.30

AMOUNT PAID**

The booking list will be up this Friday on the social news board. Please write your name clearly and place a bracket around all names that are in your party. We are looking forward to a great afternoon of music and good company so get your group together or just put your name down and others will add to your table.

As mentioned last week at Happy Hour, **Cathrines of Dromana** is sponsor of the week and Rowanne has made the generous offer to members with the following discounts:

**50% off Summer sale items
25% of sleepwear and underwear**

This offer is available from Monday through to Saturday 24th. If you are shopping for a bargain let the staff member know that you are from the DBC. Unfortunately, **Rowanne** cannot be with us that night due to previous engagement.

And for those that were not at Happy Hour last Friday, I put out a request to the members who may know of any groups, clubs, or organisations (or individuals) that maybe interested in receiving 3 to 4 communications from us a year in regard to our “public” functions - Music Makers would be one such function. Currently **Carl** and **I**, with the assistance of **Craig**, are putting together a Social events contact list. This is to increase our advertising and bring more of the community to our club rooms. The list, I suspect, will for the most part be a replica of the Friends of Dromana Bowls Club, but this is something that **Carl** and **I** are going to be going through, and with the members’ assistance, hopefully add to.

As I also indicated last week, the planned English Pub Night has been cancelled but a replacement function is being planned. It was decided that darts games would be difficult to set up, too risky and possible dangerous in the hands of the inexperienced.

I think that is quite enough from me for this week; see you at the club

WHAT WOULD YOU DO? - WEEK 21

Last week's WWYD? Week 20 pictured right. Suggested shot indicated in Red. Explanation underneath.

Scenario A8: – You have the  bowls

Three down on the master score board and this is the **last** End

-  What shot would you play?

Suggested Shot

-  Play enough weight for Jack to go out of bounds

Which shot would you be **most confident** of playing?

Hí Andy,

Another tight one.

Forehand, slightly over draw weight, to hit the jack (in the centre) to push it back, hopefully, between our two rear bowls.

Master score board would be a draw however the opposition has the last bowl.

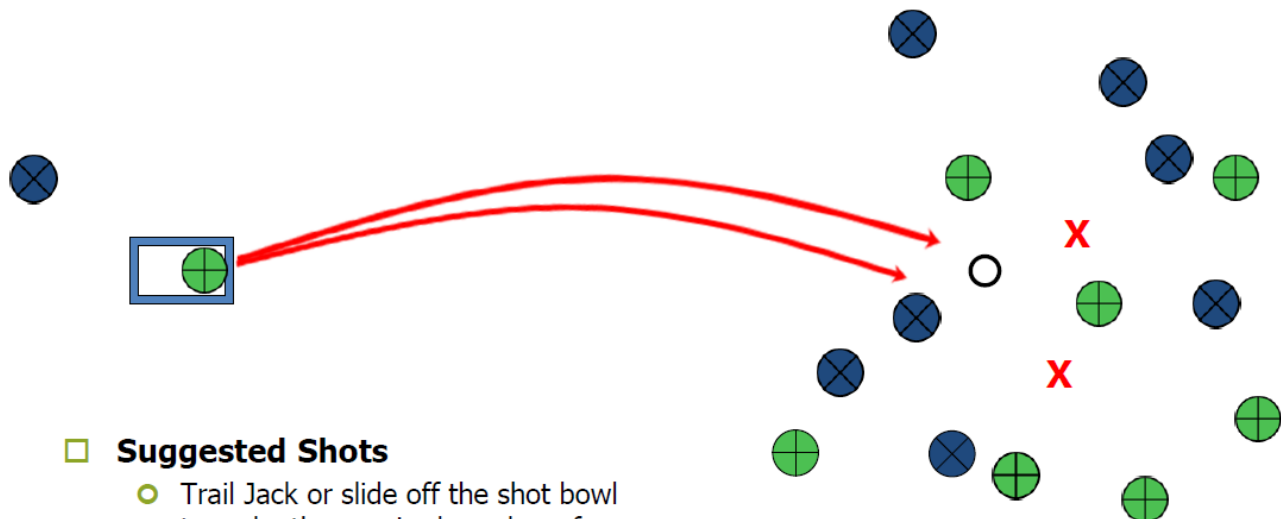

Regards Jeff Dardel

A new set of Scenarios:

1. Consider 4 types of shots:
 - a. Forehand draw,
 - b. Backhand draw,
 - c. Weighted Forehand,
 - d. Weighted Backhand
2. Which of these 4 shots gives you a higher percentage of being successful?
3. Which shot would you be most confident of making?

Scenario A9: – You have the bowls

- Two down** on the score board and this is the **last** End
-  What shot would you play?

- Suggested Shots**
-  Trail Jack or slide off the shot bowl to make the required number of shots
