

WEEKLY BULLETIN 2024 #2

25th January 2024

From The President

A warm hello to everyone and I hope you are all doing fine as we enter the business end of the Pennant season, with finals only a matter of weeks away. How time flies.

Nonetheless, the club continues to thrive with its social bowls program, while **Val, Di** and their team of helpers are doing absolutely miraculous work when it comes to getting the public through our gates on a Friday afternoon/evening. The club is indebted to you both, and your regular team of helpers, for the job you do in providing a safe, enjoyable social environment for up to 70 patrons on occasions. I could not be prouder of the job you all do in presenting **Dromana BOWLS CLUB** as the best, and friendliest club on the Mornington Peninsula.

And inside the hallowed halls, **Craig Anketell** continues his magnificent work as MC every Friday, making all members and guests feel totally welcome and appreciated as they enjoy the fun and games of our traditional weekend function: the best in town!!

Thank you also to our hard-working bar staff, under the keen stewardship of **Carmel Healy**, who do so much when dealing with the rush of thirsty customers during the Happy Hour and beyond.

Ditto **Terry Rowe**, our snag man. **Terry** does a great job in catering and organising the BBQ so that everyone is well fed, even culminating in the occasional late afternoon trip to the

supermarket for more bread! You are doing a mighty job mate, along with all our other members who sweat it out, often in very hot conditions, in order to keep the hot food rolling. And everything tastes great!!

Our [Facebook page](#) and [Club Portal](#) (and in this newsletter) will no doubt demonstrate to you all what a wonderful success story was played out on **Strawberry Day** last Sunday. Eighteen teams from all over the metropolitan area, with **Phil Gannon, Terry Rowe** and the **Match Committee** delivering a most enjoyable day. Great prizes, a beautifully prepared lunch, and plenty of raffles ensured that nearly every participant left the club with at least something to remember the day by: good memories with friends for a start. I know it was said on the day but let me repeat the accolades to **Phil**, and not forgetting **Amelia** with the catering.

Everything ran smoothly, ensuring that **The Strawberry Day** event continues to gather support from a wide-spread bowling community. To your respective teams, you have done wonderful work, and I hope you all understand what a formidable contribution you make to life at **Dromana BOWLS CLUB**.

And now for a question from the President. Please indulge me. Firstly, this is me, **Peter**, speaking as an individual club member (#72), but also as an administrator who seeks to discover the mood of the meeting. Whatever I am saying here is my opinion only, and not representative of any discussion or decisions that have come out of the **Board of Management**. I am simply curious, but certainly with a potential eye to the future.

THE QUESTION: What are club members' feelings about changing the badging, uniform design and general presentation of our product?

In particular I am asking about a new-look bowling shirt, an official characterised emblem, and a nick-name.

So here I go with my thoughts. A number of years ago our club legend, **Gerry Shepherd**, canvassed the idea of building and maintaining a close alliance with **Dromana Football Club**. In essence he wanted to share news, club events, and social functions between the two clubs, to the benefit of the community in general, and both clubs in particular. The centrepiece of the **DFC** guernsey is a colourful, aggressive looking tiger that captures the attention immediately (please see accompanying image).

The football club itself is known as the **Dromana Tigers**. Some years ago, a club member, no longer at **Dromana**, suggested "C'arn the Tigers", and "Go Tigers" would be a great battle cry. It took off for a little while, in a half-hearted way, but it didn't really gain a lot of traction. Is it time to give it another go? All of this, of course, with the blessing of DFC, which

I am sure would be forthcoming.

There are a number of "Tiger" logos presented here, which may or may not be suitable for our purposes. Given all that, I would love to work in conjunction with the local Secondary College in order to run a design competition for students to design a new shirt. Maybe with, say, a \$300.00 financial incentive? What exposure that would be for our club! Anyway, all of the above are my thoughts. What do **you**, the members, think? Please let me know, I am happy to discuss at any time.

(Please note: Our existing Logo of the Chairlift and Arthur's Seat will still remain).

Best wishes to all our sickies at the moment, and we do indeed have a few of them. Our thoughts are with you as the new strain of COVID, along with various breaks, strains and other ailments, both serious and minor, take their toll. Take care of yourselves, everyone. So that is it for another week. Socialise well, bowl well, and enjoy all the comforts of our great club. And one last note to close on.....

Our new giant TV System is being installed as we speak. Good luck to us all!
Regards, **Peter**.

Here are some "Tiger" logos that I have found.

WHAT WOULD YOU DO? - WEEK 19

Last week's WWYD? Week 18 pictured right. Suggested shot indicated in Red. Explanation underneath. A couple of options. 1. Kill the end; move the Jack back to the back two green bowls. Both difficult shots! Probably, best not to get into this situation first!!!

Scenario A5: – You have the bowls

- You have the last bowl and need two shots to win the game
- What shot would you play?

- **Suggested Shot**
- Play weight for a dead end as too difficult to make the two shots to tie

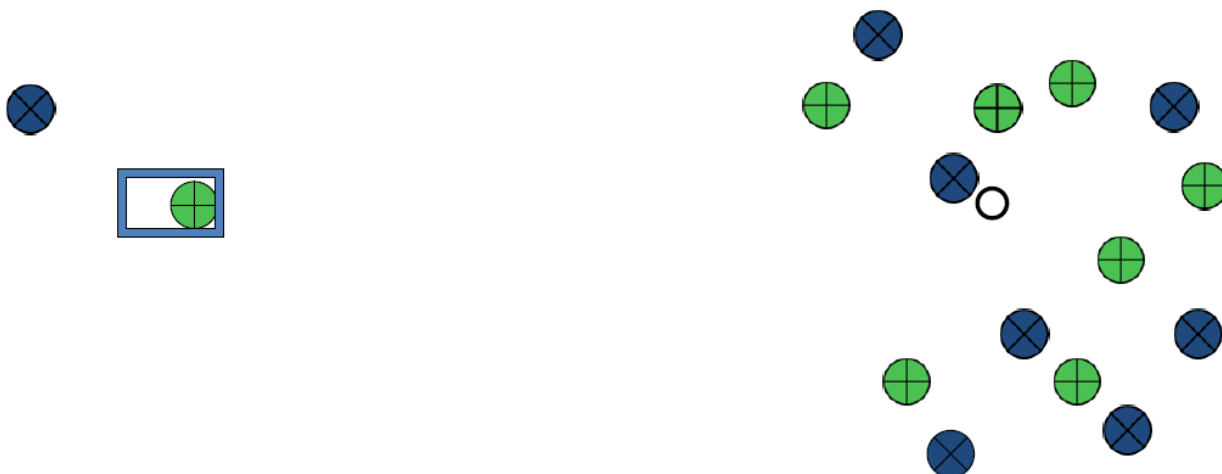

Which shot would you be **most confident** of playing?

A new set of Scenarios:

1. Consider 4 types of shots:
 - a. Forehand draw,
 - b. Backhand draw,
 - c. Weighted Forehand,
 - d. Weighted Backhand
2. Which of these 4 shots gives you a higher percentage of being successful?
3. Which shot would you be most confident of making?

Scenario A6: – You have the bowls

- This is your last bowl on the last End and three down on the score board
- What shot would you play?
