

WEEKLY BULLETIN 2024 #7

29th February 2024

From The President

A warm welcome to everyone as yet another week passes by, full of the joy and problems of full- on summer weather with all its vagaries. Stay cool and well hydrated and **KEEP** out of harm's way when travelling.

Speaking of the perils of summer, let's all get behind **Matt Williams** this week as he is doing valuable CFA work on Wednesday and Thursday fighting the fires in the Beaufort area of the state. Stay safe Matt and thanks for your wonderful work on behalf of all of us!

A big day was had on Tuesday, with the wake for our long-term member and mine host at the bar, **David Ferguson**. With well over 120 people in attendance it was a very meaningful and life celebrating occasion for "**Fergie**", pulled together at very short notice by **Amelia** and her team. They will not want me to broadcast their names as usual, but I will anyway, such is the respect I have for all these people who do their finest club work in sad times such as this. Here goes: **Barb and Frank Souter, Di Washfold, Carmel Rowe, Joy and Bernie Smith, Michele Castles, Vivienne and Phil Gannon, Jean Wells, John and Bev Waugh, Andy Wain, David Baud, Den and Carmel Healy**, and of course **Amelia** herself. Well done to all concerned, what a memorable occasion it was for both family and club members alike.

This Saturday is a special day for our **Division 9** bowlers, otherwise known as **Dromana 3!** They are playing in the **Grand Final**, against Somerville at **Balnarring**. If the form they showed in our scratch match last Saturday is

anything to go by, I reckon it is London to a brick that they will bring home the title come 5.00pm this Saturday evening.

Please get over to Balnarring by 1.00pm Saturday, in club colours if possible, and show your support for this team which has taken all before them this season. To **Craig** and his crew, may the force be with you! (**And we will be there in force**).

NB. News from Balnarring is that there are two Grand Finals there this weekend. The usual hot food will be available on the day, and the bar will be open also. I would say that parking will be at a premium, so either get there early or be prepared to drive around a few streets looking for a spot.

Congrats to **Di** for going so deep once again in the **Champion of Champions** event last Sunday, the prospect of playing two high level games on the one day is pretty daunting, and in the end, she just fell short of reaching the business end of the competition.

Another strong winner in the morning game, **Di** battled hard in the afternoon but was unable to overcome a very skillful opponent thereafter. Well done once again **Di**, you have represented your club in a competitive and gracious manner once again.

Best wishes also to **Graeme Abblitt** and **Sandra McColgan's** rinks who have now reached the semi-final stages of the State Fours at the Regional level, to be played at Somerville this week.

Hopefully more success can come **Dromana's** way through their endeavours, especially on an evening when conditions are still expected to be most unpleasant temperature and wind-wise.

Keep on rolling and let's see if **Dromana** can continue at this lofty level. We are certainly making some others sit up and take notice, although obviously **Sandra** needs no introduction to anyone! Her performances always speak for themselves.

Good news this week with the signing of contracts with **BBS** to get the bowl rolling on our re-surfacing project on the **Hildebrand green**. Phew!! What an effort that has been, spread over 10 months of consulting, pleading, investigating, researching, phoning, and all the other "___ings" you can imagine.

A number of club members have worked very hard to get to this stage, and I thank them all for the hours of work they have done for the long-term benefit of our club. We are almost there! Meanwhile, work on the **Duggan green** is chugging along, with the Shire currently

conducting surveys, digging holes and contributing their thoughts to the on-going subsidence issue. At least we are still in their plans for the long term, so we take heart from that. How long is the "long term"? Only time will tell.

Finally, many thanks to **Len Starkey** for his most informative presentation on the use of our defibrillator, which he conducted on Monday afternoon.

I am sure this session was of great value to all present, while also re-enforcing the need for all members to complete their medical/personal information forms, which will be catalogued by the club in case of an emergency. The importance of having such information at hand is vital.

So that is it for another week. Take care everybody, and let's make sure we have more good news to share next time round.

Regards, **Peter**.

David Ferguson's Wake

On Tuesday (27th) The Club hosted **David Ferguson's Wake**.

The many members (as mentioned by **Peter** in his report) who helped make this a special day for **Fergie's** family and friends, should be congratulated on their efforts.

Pictured: (Clockwise from top Left): **Fergie's** son, **Michael** and daughter, **Rachel**; **President, Peter**, telling some bowling anecdotes about **Fergie**; **Fergie's** sister and husband; **Tony** reading out his "Talkback" with **Fergie** (see next page); More of **Fergie's** family.

A special Tony's Talkback – with David Ferguson - Sept 2020

This week I am chatting with **Dave Ferguson (Fergie)**.

Dave was born in Korumburra and has two brothers and five sisters. He lived in Poowong for 30 years and went to Korumburra Catholic School and then onto Korumburra High School. He enjoyed playing football and sport in general.

When he left school, he worked at the local Butter Factory in Poowong for 16 years and drove tankers for 13 years. He then moved residence and purchased a Dairy Farm at a place called Simpson, which is situated in Gippsland.

He started playing bowls in 2003 at the **Simpson Bowls Club**, which only had one green. His Mum and Dad influenced him into bowls. His father was the Green Keeper and his Mother was four-time Ladies Club Champion. I did ask **Fergie** at this stage, "was it your mother's skills that had rubbed off onto you?" and his reply was "no comment".

Dave first met **Bev** in 2003 and they married in 2011. They shared 5 children and sadly they have had 2 children pass away in the last 18 months.

At **Dromana Bowls Club**, **Dave** has spent some time on the Match Committee and his highlights at the club are that he has played in four or five winning Grand Final teams. He was runner-up in Novice Event Singles Championship and won Club Mens Pairs with **Frank Souter** two seasons ago. In the President Handicap he was Joint Winner with **Chris Whitwell** last season 20/21. (The final was not played because of covid virus). It was decided that both finalists be declared the winner.

They both enjoy Queensland and have visited a daughter, who lives up there at a place called Smithfield. They had planned a trip visiting Darwin and then back into Cairns but because of the way things are at the moment this has been put back for another day.

WHAT WOULD YOU DO? - WEEK 23

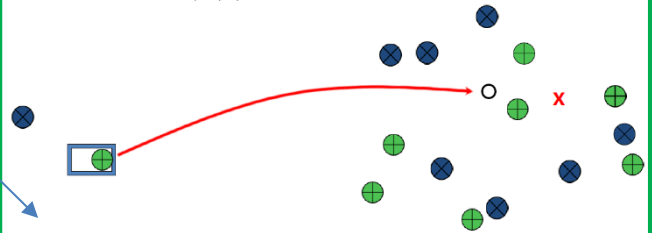

Andy Wain

Last week's WWYD? Week 22 pictured right. Suggested shot indicated in Red. Explanation underneath.

Scenario A10: – You have the bowls

- **Four down** on the master score board and this is the **last** End
 - What shot would you play?

□ **Suggested Shot**

- Trail the Jack to make the four shots
- Playing the correct weight and line is critical to make the number required

From **Jeff**,
Hi **Andy**,

1. *Backhand, very slightly overweight to push the jack back to the centre of our three rear bowls. Hopefully this will give "us" four shots.*
 2. *Forehand, to push our front bowl towards the jack.*
 3. *Forehand to push the jack back as in Option 1. Prefer Option 1- open hand.*
- Kind regards **Jeff Dardel**

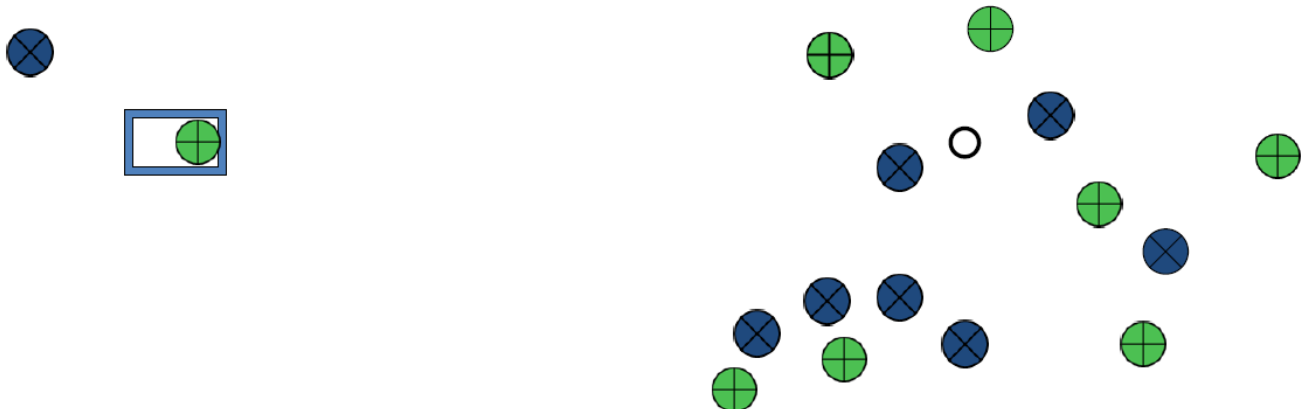

Which shot would you be **most confident** of playing?

A new set of Scenarios:

1. Consider 4 types of shots:
 - a. Forehand draw,
 - b. Backhand draw,
 - c. Weighted Forehand,
 - d. Weighted Backhand
2. Which of these 4 shots gives you a higher percentage of being successful?
3. Which shot would you be most confident of making?

Scenario B1: – You have the bowls

- **Two down** on the score board and this is the **last** End
 - What shot would you play?
