

WEEKLY BULLETIN 2024 #4

8th February 2024

From The President

A warm hello to everyone.

This Saturday marks the last round of **Club Pennant for 2023/24**, with the chance of a couple of our teams progressing to finals.

Good luck to all of our playing members as they embark on their February campaign, and please feel free to support your mates around the venues over the next two or three weeks.

Participants in the **President's Handicap** please note that there has been a re-draw since its initial publication on Tuesday, so take the time to double check for your potential opponent and arrange a game.

On Wednesday the club hosted two groups of 50 students from **Dromana Secondary College**, and a great 2 hours of tuition was had by all students, courtesy of club coach **Andy Wain** and assisted by yours truly. And we might even get a Junior member out of it, with one young fellow taking the forms home with him and showing plenty of enthusiasm. Move over young **Patrick**, you may soon have company in the Junior section!

As yet we have had no nibbles for the role of **Food Safety Supervisor**, currently being fulfilled by **Amelia** but soon to be available, in consultation and liaison with **Bev Waugh**. Please give this position some thought, **Amelia** really needs to relinquish a number of her responsibilities at the club and your help would be of great benefit to all concerned. The groundwork has already been laid in meticulous fashion; we now need somebody to continue to make **Dromana Bowls Club** the best

run and most safety conscious organisation going around.

Thanks to **Carmel Rowe, Derrik Farr, and Val Park** for your efforts in ensuring our **Mid-week** breakup went smoothly on Tuesday, a great little afternoon of celebration was had by all.

And in expectation, appreciation goes also to **John and Bev Waugh, Ron and Shirley Peters**, and their band of helpers for their work in collecting and serving the pizza and chicken come Saturday dinner time. It would be great to see all Pennant bowlers, whether they be **Mid-week or Saturday bowlers**, and their partners, in attendance.

This is an annual event, so let's bid an official goodbye to the season proper and look forward to some fruitful weeks ahead.

Finally, a quick word on our potential change of attire. I have said enough last week, and I remain open to all suggestions, but please remember that the whole appearance thing boils down to three elements in my opinion: colour, motif and design. Board member **Jim Rossi** has volunteered to put together a committee to decide how we move ahead with any future plans for change regarding our uniform, so stay tuned for more news and ideas from him. Feel free to bend his ear a little as well if you have some strong, creative ideas in this matter.

So that is it for another week. Bowl well, stay healthy and look after any of our friends and clubmates who may not be doing it all that well at the moment.

Best Regards to all, **Peter**.

WHAT WOULD YOU DO? - WEEK 20

Last week's WWYD?
 Week 18 pictured right.
 Suggested shot indicated in Red.
 Explanation underneath.

Scenario A7: – You have the bowls

- You need shot to win on the master score board and this is the last End
 - What shot would you play?

- **Suggested Shot**
 - Play enough weight to your bowl to push onto the shot bowl to get Jack through to your bowls

Regular correspondent, **Jeff Dardel**, suggests, "Another curly one. The only shot I can see is forehand, slightly over draw weight, to firstly hit our best bowl cannoning onto the opposition's shot bowl hopefully shunting the jack to our cluster of rear bowls." Regards **Jeff**

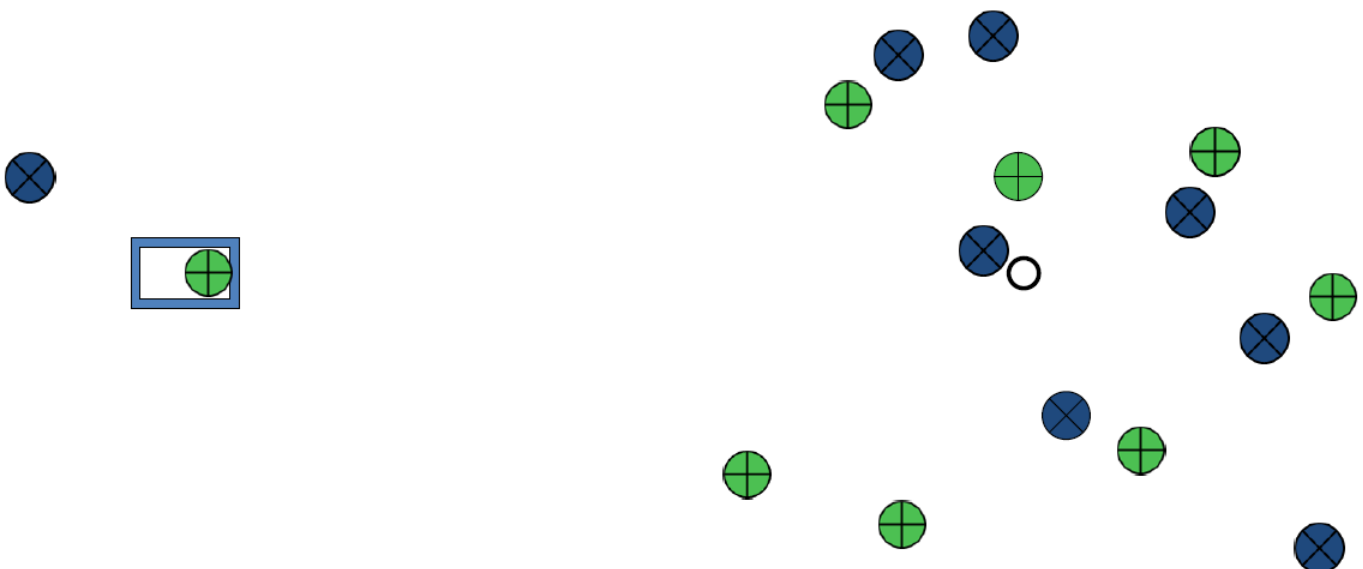

Which shot would you be **most confident** of playing?

A new set of Scenarios:

1. Consider 4 types of shots:
 - a. Forehand draw,
 - b. Backhand draw,
 - c. Weighted Forehand,
 - d. Weighted Backhand
2. Which of these 4 shots gives you a higher percentage of being successful?
3. Which shot would you be most confident of making?

Scenario A8: – You have the bowls

- **Three down** on the master score board and this is the **last** End
 - What shot would you play?
